There is said to be no dout that in a few days there will be a marked change in the management of the ferry company, and it is believed that with proper representation from our people, conditions can be so changed that the advantage of living in Alexandria will advantage of living in Alexandria will be made apparent and that a tide will be turned in our favor. If by a satisfactory arrangement with the Washington street car companies it can be demonstrated that people can get to Alexandria at as low a rate as they can to most parts of Washington the object lesson is presented and that is about all there is to say. Some years the object lesson is presented and that is about all there is to say. Some years ago the street car companies were favor-ably disposed toward the scheme and are doubtless as much inclined now to acquiesce in the movement. Some of our business men have the matter in hand and will endeavor to bring about the desired result.

THE MINSTRIES who will appear at the Opera House on next Thursday night are all talented young men of this city and are under the efficient management of Messrs. George Evans and N. F. Featherston, who will introduce many new features. The committee of Odd Fellows who have charge of the arrangements is composed of Messrs. D. R. Stansbury, chairman; W. P. Henshaw, secretary, and C. W. O'Meara, treasurer. Judging from the number of reserved seats now being taken they will reserved seats now being taken they will have a full house.

It can, however, be as old home in Germany on the 14th, after a and dear. It can, however, be a practical hint for those witnessing such accidents in the future, and also cause more surveillance over little ones whose habit it is to stray about docks. According to an Indian tradition, the Great Spirit claims a victim for Niagara Fails once a year. We have never heard of a similar claim for the old Potomac but it is a sad fact that hardly Potomac, but it is a sad fact that hardly a year elapses without its waters closing over some Alexandria child.

FOR LIEUTENANT-GOVERNOR .- The many friends of Mr. James R. Caton are making strenuous efforts to have him nominated for lieutenant governor by the Norfolk convention. The Alexandria delegation, it is urged, will give him their unanimous support, and it is by Rev. J. W. Duffey and 8 p. m. by Rev. E. V. Regester.

THE MARKET this morning presented THE MARKET this morning presented the usual mid-summer Saturday morning appearance. There was a plentiful supply of everything in season. Vegetables of all kinds were in profusion at low prices. Butter was 17 to 200 per pound, eggs 16 to 18c per dozen and diminutive chickens 20s each. Strawberries were comparatively abundant and brought from 5 to 8c per box. Gooseberries made their appearance, and were sold at 8c per quart. Fresh and were sold at 8c per quart. Fresh meats had undergone no change in prices Fish are scarce and high. Some fice specimens of salt water trout were on the benches, but the price (10c per pound) caused many to pass them by with side glances only.
